# Access to Financing - Prince Edward Island

Whether you're starting, expanding or modernizing your business or in need of working capital, securing the right financing for your operations can be one of the greatest challenges you'll face as an entrepreneur.

The Women in Business Initiative (WBI) is designed to help women entrepreneurs in Atlantic Canada succeed in business. Improving women's access to financing for business start up and growth in the Atlantic region is a primary objective.

To this end, the Atlantic Canada Opportunities Agency (ACOA) and the Atlantic Association of Community Business Development Corporations (AACBDC) have joined forces. Together with three Community Business Development Corporations (CBDCs) in rural areas throughout Prince Edward Island, as well as the Metro Credit Union in Charlottetown, we are working to increase financing opportunities for qualifying women entrepreneurs.

## Accès au financement - Île-du-Prince-Édouard

Si vous démarrez votre entreprise, l'agrandissez ou la modernisez, ou encore si vous avez besoin d'un fonds de roulement, obtenir le bon financement pourrait être un des plus grands défis que vous aurez à relever à titre d'entrepreneure.

L'Initiative Femmes en affaires est conçue pour aider les entrepreneures du Canada atlantique à réussir en affaires. Un de ses principaux objectifs consiste à améliorer l'accès au financement pour les femmes qui souhaitent démarrer une entreprise ou prendre de l'expansion dans la région atlantique.

À cette fin, l'Agence de promotion économique du Canada atlantique (APECA) et l'Association atlantique des corporations du bénéfice du développement communautaire (AACBDC) ont uni leurs forces. De concert avec trois corporations au bénéfice du développement communautaire (CBDC) dans les régions rurales de l'Î.-P.-É. ainsi qu'avec la Metro Credit Union de Charlottetown, nous travaillons à accroître les possibilités de financement pour les entrepreneures admissibles.
